

# **FSAP Announces Fall 2006 Wellness Programs**

## Car Care for Dummies

Faculty and Staff Assistance Program (FSAP) is pleased to announce the first of its many Wellness Programs for Fall 2006. We invite you to take advantage of the fun and informative events in the coming months. To mark the beginning of these special events, we chose *Sheldon Harley's* expertise on car care.

## Having Car Problems?

*Sheldon Harley*, Lead Automotive Mechanic at Georgetown University with over ten years of experience is here to help!

Come learn about:

- Check Engine & ABS Light
- Tire Maintenance
- Jump Starting a Car
- Winter Vehicle Maintenance
- How to Detect Car Problems
- ...and more

Mr. Harley will present a 45-50 minute PowerPoint presentation covering the listed topics with question-answer sessions in between each topic. All Faculty and Staff are welcome to bring their lunch and relax at one or both of these presentations at,
