

Summer

Skin Care

If your skin is not as happy going to the beach as you are, bring your lunch and join us for a presentation

with,

Dr. Joseph Sobanko, MD

On, Thursday, May 24, 2007: 12-1PM
McShain Lounge

Dr. Sobanko, Resident, Department of Dermatology Georgetown University Hospital, in this hour long presentation, will cover basics on UV light, sun burns, sunscreens, aging, etc. He will also provide information on corrective strategies for skin care.

This event is free and requires no reservations. For more information, contact Sandy 7-2409 or Nicole 7-1771. All GU Faculty, Staff and Students are welcome.

Faculty & Staff Assistance Program, Department of Human Resources
